

Hi folks

Things are changing quickly!

Our region has its first confirmed case of COVID-19 and the news reports indicate that NSW and Victoria Government will close down all non-essential activities with the next 48 hours.

Tonight, the Pennant Co-ordinator, Ian Radley, is informing Division co-ordinators and competition players that there will be no more competition matches or grading night, effective immediately, until further notice.

As many Keenagers do not have email access, there will be an announcement at the club, tomorrow, that there will be no more Keenager sessions until further notice.

Also there will be no more Sunday training, school groups, coaching or until further notice.

We will investigate the most appropriate platform to conduct on-line meetings, rather than face-to-face meeting.

Keep safe and happy, and hopefully we will see all of you back playing Table Tennis later in the year.

Please be mindful to keep at least phone contact with other members of your group during this enforced break, as many will need support for all sorts of reasons.

Cheers  
Terry
