

# AWTTA ORDER FORM TABLE TENNIS EQUIPMENT

AWTTA has an agreement with Affordable Table Tennis ([www.affordablett.com.au](http://www.affordablett.com.au)) for ordering table tennis equipment against wholesale prices.

The committee has decided to add 20 per cent on the wholesale prices for any equipment ordered via AWTTA up to a maximum of the website price at the time of ordering.

Unfortunately, upon ordering the equipment AWTTA does not know the wholesale price, therefore we cannot always guarantee a better price than showing on the Affordable Table Tennis website, but we can guarantee that the pricing will not be higher and no Postage and Handling will be charged.
