Email received today from Table Tennis Victoria (TTV) seeking expressions of interest from Clubs to host a State Pathways Session with coach, David Powell. Suggested that there may be an opportunity to combine this with a visit to schools on the Thursday or Friday prior to the session depending on availability of the coach. Further discussion to be held with the Club coach, Sam Palmer, and potential junior players. It was decided that we respond to TTV indicating we are interested in hosting a session but need more information before committing to dates/times.

**Mover:** Joe Muller    **Seconder:** Chris Grealy                      *Accepted*

**Agenda Item 6: Matters from the President**

- Lease renewed

The lease with AlburyCity has been renewed for five years. Final document is still to be provided by Kerry May of AlburyCity.

- Club facilities improvements: next steps from Concept Plan

Now that we have the completed Concept Plan, we need to engage a Quantity Surveyor to progress the proposed improvements to our facilities. Potential contacts to be pursued by Ian Radley and Stuart Davidson.

- Insulation of courts

Ian Radley spoke to possible options for insulation of the playing area. Waiting on quotes, which are expected to range from \$30,000 to \$40,000. Once quotes have been received the Club would then need to investigate funding options before any work could be undertaken.

- Air conditioner servicing

Terry Caldwell to arrange for the air conditioner to be serviced.

- Mowing arrangements

Terry Caldwell reported that the arrangements made previously with Aspire are no longer suitable and suggested that members be rostered to undertake mowing at the Club going forward. Joe Muller agreed to coordinate this roster. Terry Caldwell also spoke to the need for an additional mower with catcher, blower, whipper snipper and hedge trimmer to be available for members undertaking this work. Suggested that members be asked if they have any equipment they can donate as a first step.

- TTNSW members and AWTTA membership

Terry Caldwell advised that he had received queries from Howlong (TTNSW) members interested in also joining AWTTA. These members will only need to pay the TTV component as they have already paid the TTA component as part of their TTNSW membership. Amount would depend on class: Social \$21.50, Competition (Concession) \$40.50 and Competition (Adult) \$60.50.

- AWTTA dual affiliation with TTNSW & TTV in 2024

AWTTA is affiliated with both TTNSW and TTV. TTNSW affiliation cost is \$175. TTV affiliation cost is \$325 (151+ members). The social TTNSW membership cost is \$25.

Considered beneficial to receive funding alerts through TTNSW given we are in Albury. Noted that AWTTA members may only need to pay the TTNSW fee to enter NSW closed tournaments.

- Internet Banking update  
Terry Caldwell reported that he and Rick Woods met at the Bendigo Bank on 15/01/2024 and set up internet banking to reduce number of cheques. Suggested that additional signatories be added – Janet Freer and Ashley Harding agreed to undertake this responsibility.
- Equipment ordering arrangements  
Bas Smeulders has advised he is no longer available to process equipment orders on behalf of members. Agreed that members should now place their own orders as required. Terry Caldwell to advise members and provide contact details for Just Table Tennis, Affordable Table Tennis and Table Tennis World in the next email/newsletter to members.
- Fundraiser possibility  
Albury Show Society requires gatekeepers from Friday 1 November to Sunday 3 November. Terry Caldwell to seek further information for consideration by Committee at a future meeting.

#### **Agenda Item 7: Matters from the Pennant Coordinator**

- Facebook advertisement  
Ian Radley advised that he has spoken with Geoff Prior about trying to increase promotion of the Club. A paid advertisement was placed on Facebook. Ian Radley has also placed the Sunday social sessions and the Grading Night into Facebook Events.  
  
Ian Radley has also emailed various clubs and organisations with details of the Grading Night.
- Summer Season  
Grading Night for the Summer Season will be held on Wednesday 31 January. Pennant matches will commence the following week.
- Player payments per session  
Agreed that the player payments per session remain the same for 2024, i.e. Pennant - \$5 concession and \$10 adult; Keenagers pay \$5 each; and Social Sunday sessions pay \$5 per person or \$12.50 per family.
- Other matters
  - Tonkin Group (plumbing, electrical, etc) have expressed interest in a potential sponsorship arrangement following the involvement of AWTTA members in their Movember fundraising activity.
  - Proposed Canteen price increases were accepted. Ian Radley to update the Square system accordingly.

#### **Agenda Item 8: General Business**

- Access to Clubrooms after hours  
Ashley Harding queried arrangements for casual use of the Clubrooms outside of regular hours. Discussion was held about previous arrangements and alternatives. Suggested that a more structured session at a regular time may be more suitable. Ashley Harding to consider options and liaise with Ian Radley.
- MPIO role  
A copy of the draft role statement for the Member Protection Information Officer (MPIO) position was circulated to members prior to the meeting.

Stuart Davidson outlined the role of the Member Protection Information Officer and emphasised the importance of such a role for the Club. Training is required every two years for accreditation to remain current. Recommended that this role should not be undertaken by a member of the Committee to ensure it remains impartial.

The MPIO role had previously been undertaken by Stuart Davidson and Ashley Wurtz but the position has been vacant for the past few months. Stuart Davidson offered his resignation as a Committee member so that he can again complete the training and undertake the MPIO role. Terry Caldwell thanked Stuart Davidson for his willingness to undertake the MPIO role for the Club.

It was noted that Andrew Welsh had expressed an interest in joining the Committee. Ian Radley to liaise with him about filling the vacancy created by Stuart Davidson's resignation.

- *Vision and Mission Statements / Strategic or longer term plan for the Club*

Stuart Davidson spoke to the need for the Club to have Vision and Mission Statements, and ultimately a Strategic Plan, to inform the future direction of the Club. Noted that funding submissions usually require evidence of a Strategic Plan. Chris Grealy and Ashley Harding volunteered to be part of a working group to progress this. Other volunteers are to be sought.

- *Recognition of Volunteers*

Stuart Davidson stated that the Committee should consider how it recognises volunteers within the Club. Suggested that an email could be sent from the Committee in acknowledgement of the contribution made by the individuals at the end of each year, or as appropriate. Other ways of recognising volunteers were also suggested and noted for further consideration.

- *First Aid Officers on Sundays*

Stuart Davidson raised the need for first aid qualified members to be present during the Sunday sessions. Coordinators for all Divisions and Keenager sessions are also encouraged to have current first aid qualifications. Relevant members to be asked to undertake appropriate first aid training. Terry Caldwell raised the possibility of members joining an upcoming group program – further details to be provided when available. Alternative training options were also discussed.

- *Roles and responsibilities record for 2024*

A copy of the roles and responsibilities information for 2024 was circulated to members prior to the meeting. Volunteers are sought to undertake the various roles listed. Committee members were asked to email Janet Freer with details of roles they would like to volunteer for. Some roles will be undertaken by other members. Finalised list to be presented at the next meeting.

**Date of Next Meeting:** Friday 1 March at 5.30pm

**End of Meeting:** 7.50pm
