Agenda Item 3: Action and Grant Items

a. Action items

- **09/23 North East InterClub event** – Ian Radley reported that this event has been postponed until Sunday 14 April. Will be held in Wangaratta this year. Expressions of interest are to be sought. Ashley Harding agreed to coordinate this event.
- **17/23 Social Night** – Ian Radley reported that he is currently seeking expressions of interest. Participants asked to bring a plate to share. No cost to play.
- **18/23 AWTTA Keenagers Inter-Club Event** – scheduled for 22-23 March. Terry Caldwell reported that more than 62 visiting players had registered for this event so far. Commented that more local players were still needed.
- **Annual-01 Honour Boards updated** – pending completion by Border Sign Studio.
- **Annual-04 WWCC for new Committee members** – Completed
- **Annual-09 Roles and responsibilities record updated** – discussion was held about roles still to be filled. Noted that assistance will be needed for the school groups in Term 2 – to be reviewed once schools have confirmed their intentions. Updated record to be circulated to Committee members.
- **Annual-12 Director Education course** – all new Committee members have now completed this course and TTV advised accordingly.
- **Annual-14 First Aid Checklist** – pending completion by Russell Auwardt.
- **Annual-17 Online Child Safe Sport Training** – still to be completed by Chris Grealy, Joe Muller and Andrew Welsh.
- **01/24 State Pathways Session EOI** – TTV have advised that David Powell is more than happy to open the session up to Clubs around the area to join and to have adults involved, but due to his work commitments, he does not have any other availability to stay longer to undertake school visits. The additional dates available were discussed, with Saturday 11 May (2.00pm – 5.00pm) selected as the preferred option. Secretary to advise TTV accordingly. Once date confirmed Terry Caldwell will discuss with Sam Palmer.
- **02/24 Club facilities improvements** – Ian Radley reported that Cook Design have submitted a quote for consultation, site levels and existing conditions plans, as well as building permit documentation. Andrew Kaye, Division 3 member, has offered to assist the Club with this project and is currently liaising with AlburyCity to seek further information about the next steps. General discussion was then held about demolishing and rebuilding new facilities vs upgrading and refurbishing existing facilities.

- **03/24 Insulation of playing area** – Paul Hossack joined the meeting to discuss options. Internal option would cost approx \$90,000 for materials only, labour would be additional. External option is to use special paint to insulate the colourbond. Lighter colour considered more effective with expected 10-12 degrees reduction in heat inside. Noted that no real change in temperature would be experienced during cold weather. Paint could cost about \$20,000. Approx \$60,000 for total job which included washing, sealing and then two top coats of paint. Considered a worthwhile project if cost can mostly be funded by a grant. Suggested that it might also be worth contacting the paint supplier (e.g. Taubmans) for assistance towards offsetting costs.
 - **04/24 Air conditioner serviced** – Cameron Burt joined the meeting to discuss recommendations for the air conditioners following the recent maintenance he completed. Recommended that the Clubroom system have a drain and membrane installed at cost of \$400 as a short-term fix (12 months lifespan) given the proposed redevelopment plans currently being considered. Suggested that the air conditioners be serviced annually. Noted that if the air conditioners were run on the low setting they should not impact the movement of the ball during play.
 - **05/24 Mowing roster and equipment** – still hoping for donations of equipment. Roster will then be finalised.
 - **06/24 Albury Show Society fundraiser** – Terry Caldwell reported there were limited volunteers available which meant that the Club would only be able to assist with one gate, with two people at a time, over the weekend. Committee members considered this was not worth pursuing – Terry Caldwell to advise accordingly.
 - **07/24 Training sessions** – Ash Harding reported that Max and Levi Geering will be continuing with their training sessions. Currently booking month by month and details added to the calendar on the website.
 - **09/24 Strategic Planning Working Group** – initial focus to be on preparing Vision and Mission Statements for consideration by the Committee and then all members. John Zinkovsky has volunteered to be a Keenagers representative on this group.
 - **10/24 First Aid Officers** – Terry Caldwell to follow up availability of training for relevant members.
- b. **Grant items**
- **01/24 AlburyCity Event Partnership Program** (support for tournaments hosted by AWTTA) – Terry Caldwell submitted an application for \$1,500 on 17/01/2024. Outcome pending.
