- **29/25 Solar batteries options** – Ian Radley spoke to the information that was circulated to Committee members prior to the meeting. Feedback from the Committee was that we should not proceed with the installation of solar batteries at this stage. It was also noted that the proposed future developments may influence the location of the batteries. Ian Radley then proposed that the Club change electricity provider to maximise potential savings.

MOTION: *That Ian Radley make arrangements for the Club to change over to Red Energy as their electricity provider.*

Identification of potential nominees for Club Legend will be progressed by the sub-committee next year now that guidelines are in place.

Discussion was then held about whether the Life Membership by-laws should be amended to reflect the same voting requirements as those accepted for the new Club Legend by-laws. Decided that the Life Membership voting requirement would remain

unchanged (i.e. there must be a unanimous vote by all members of the Committee) but that an additional clause be added to address voting requirements should a member of the Committee be a nominee.

MOTION: *That the By-Laws for Life Members be amended to add the following clause:*

3.1.6 If a member of the Committee is the nominee the vote must be UNANIMOUS by the remaining Committee.

Agenda Item 6: General Business

- Life Membership nomination
Announcement will be made at the upcoming AGM.
- 2026 Playing and EFTPOS fees
Ian Radley raised the cost to the Club of Square fees. It was agreed that as from 1 January 2026 a surcharge payable by members will be introduced to cover EFTPOS fees.

2026 session fees will remain the same as this year: Competition: \$10 Adult and \$5 Concession; Keenagers \$5; Sunday social/practice \$5 for individual and \$12.50 for family; Schools and Groups \$6 per person (minimum of \$85 total per session for schools continuing bookings from past years or a minimum of \$100 total per session for new school or group bookings).
- Equipment order
Ian Radley reported that he will place an order for additional balls and plastic bats for the Club, as well as bats to be available for purchase via the Office, with Table Tennis World for delivery at the upcoming tournament.
- Player registrations
Ian Radley emphasised the need for Coordinators to ensure that player registrations are followed up each season; with all registrations due by the third week of play. Pennant Coordinator to monitor to ensure timely addition in RevSport.
- Review of keys
Ian Radley raised the need to seek return of keys from members no longer responsible for opening/closing sessions. Ash Harding and Ian Radley to follow up relevant members so that keys are returned to the Secretary and deposits are refunded to members.
- Security
Terry Caldwell requested that session Coordinators check the South door at the end of each session to ensure it is locked. Members opening this door should advise the Coordinator to ensure security of the premises is maintained.
- Club reimbursements for accreditations/reaccreditations
Terry Caldwell sought clarification about reimbursement for members who undertake accreditations/reaccreditations which are of benefit to the Club. Confirmed that the Club would reimburse members who complete first aid courses, and accreditation/reaccreditation for coaching (eg TOPS), umpiring and other relevant training. Suggested that if a member intends to undertake a course or training they should advise the Committee prior to commencement.
- Foodshare update
Terry Caldwell spoke to the current arrangements that have been made by Kerry Bell with Foodshare. Currently food is made available for members during the Friday Keenager sessions. Donations received are directed back to Foodshare.

- Wodonga Seniors Celebrations

The Club opened the Keenager sessions to interested members of the community as part of the Victorian Senior Celebrations held in October this year. Terry Caldwell reported that five people attended during the festival period, with four of them joining up as new members.

- Access via Smallbore Rifle Club

Terry Caldwell commented that he had noticed caravans parking in the area at the back of the Club during a recent Smallbore Rifle Club activity. After some discussion it was decided that this is not something that we would offer for table tennis events.

- Review of incident report procedure on TTV database

Coordinators are reminded to ensure they are familiar with the procedure for submitting incident reports online. Pennant Coordinator to review with all Division Coordinators at the beginning of each year.

- Active Kids Vouchers

Terry Caldwell raised the need for Coordinators to ensure they are recording expenditure on the Google sheet for members claiming the Active Kids Vouchers. Terry Caldwell will be the contact person for members seeking these vouchers.

- 2026 season dates

Ash Harding to finalise the season dates for next year so that they can be entered on the Google calendar.
